DMTA LOCAL PRE COLLEGE PIANO AUDITIONS

The **GATE** test is required in 2025. The Georgia Auditions Theory Exams (GATE) is a required component of GMTA's Pre-College Piano Auditions and supports GMTA's belief that excellent performers are also knowledgeable performers.

Teacher Volunteer Requirements: All teachers with students performing in person auditions at Holy Trinity Parish should be available to help at the auditions on February 8th, between 12:30 and 4:00. If you are unable to attend, please find a substitute for yourself as quickly as possible.

Musical Score Requirements: Original scores of both pieces (no photocopies) must be brought to the auditions. **Every measure must be numbered**, and no names (teacher's or student's) may be on the music or the cover of the music. Memorization Policy:

Memorization of all repertoire is required. Advancement to Regional Auditions: Students who qualify with a **grade of "Outstanding Performer" in grades 4-11** will advance to the Regional Auditions. At Regional Auditions students must play the same repertoire they played for the DMTA Local Auditions. The Regional Auditions are all virtual this year.

Advancement to Regional Auditions: Students who qualify with a grade of "Outstanding Performer" in grades 4-11 will advance to the Regional Auditions. At Regional Auditions students must play the same repertoire they played for the DMTA Local Auditions. The Regional Audit

The student must play two pieces as follows: Piece 1: **Baroque or Classical** (through Beethoven) Piece 2: **Romantic, Impressionistic or Contemporary** (including contemporary teaching pieces in the style of other periods). Contemporary piano literature is considered "contemporary" regardless of style. When selecting a composer whose dates span two periods, it would be best to classify that composer by compositional style. A single movement from a sonata or suite may count as a piece. Also, several short movements including selections from theme and variations, may be grouped to count as a single piece, when appropriate. Any other sectional pieces, such as fantasies, must be performed in their entirety. Pieces must be original compositions for piano. (No arrangements or simplifications.) **TIME LIMITS** The following time allotments will be observed on the day of auditions. Please advise your students that if their pieces are longer than these times, they may be stopped by the judge.

- 2nd-3rd Grade: 6 minutes
- 4th-5th Grade: 8 minutes
